Beverley & Surfleet Surprise Minor

Learn them as a pair!

Make sure you know:

- Lead end order (same as Cambridge)
- Where you meet the Treble
- Where the place bells start

Structure

Work above the Treble is Cambridge

Half-lead work	1-2	3-4
Beverley	Dodges	Places
Surfleet	Places	Dodges

NB - dodges & places made 'wrong'

Remaining bits are like London, including:

- Odd places below Treble - in 3rds & in 4ths
- Whole-turn and snap-leads on the front

(These all switch between right & wrong hunting)
